INTRODUCTION

Where Opportunity Meets Talent®

This report compares a specific job benchmark to the results of one to five talent reports. Use the following guidelines to effectively interpret the results.

INTERPRETATION GUIDELINES

When you compare a person to a specific job benchmark, you must ask yourself some very important questions with regard to the top three areas in Section 1 and the top three areas in Section 2. The answers to these questions will maximize the use of this report:

REWARDS/CULTURE

- How will a person feel if they have to spend eight hours a day in a culture that does not reward their passion?
- How will a person feel if he/she has negative feelings about the built-in rewards and culture of the job?

BEHAVIORAL TRAITS

- How will a person feel about being required to make a major behavioral change, and how will that affect productivity?

ADDITIONAL CONSIDERATION

- How are other people in the same job performing based on the results of their Personal Talent Insights Report?

INTRODUCTION

This comparison report is based on the hierarchy of the job benchmark. The report uses raw numbers generated from the job and talent scoring. The job may call for something to be very important; however, people rarely bring perfection and complete mastery to any job. The job could call for the person to be a perfect 10; however, do not exclude people from consideration based solely on the gap(s) between the job benchmark and their talent score.

If a person is poor in an area that the job benchmark has identified as “very important”, you must ask the difficult questions above to determine if that would keep a person from achieving and maintaining superior performance.

Note: THE ORDER IN WHICH A PERSON APPEARS IS NOT PRINTED BASED ON THEIR MATCH TO THE JOB. THE ORDER IS BASED SOLELY ON THE ORDER IN WHICH NAMES WERE CHOSEN BY THE ORIGINATOR OF THIS REPORT.
