

TEAM GRAPH ANALYSIS

Discuss the combined the graphs of all team members using the following questions as a guide for discussion:

- Is the Team heavy in any particular style or area?
- Is the Team deficient in any particular style or area?
- What problems or opportunities could be present?
- What team characteristics exist for your group?
- Are these the characteristics necessary to accomplish the teams' goals?
- Do any obvious conflict possibilities exist?
- Given the combined profiles, how do you think other groups in the organization might perceive the team?
- What team challenges exist for growth?
